

## **WANTED: Creative talent and brains**

### **Position: Junior Graphic Designer**

#### **The brief**

Come and join the UK's best agency working with the best charities. We create and deliver full service fundraising communications for some of the UK's largest charitable organisations.

#### **The person**

If you're thinking of taking the next step in your career then this job is for you. You'll relish the chance of taking your work to a new level, be highly motivated and show us that there's no such word as 'can't' in your vocabulary. The bigger the challenge, the more you'll want to succeed.

You'll be confident and enthusiastic, a real team player and want to make a real difference to some of the UK's biggest charity campaigns.

#### **The basics**

This is your opportunity to create emotive and well thought out design that can drive response and change lives around the world. If you're interested, please respond with your CV, samples of your best work and a covering letter telling us why you think you've got what it takes to be part of our creative team.

You'll need to:

- Show us you can find a design solution to that all important brief.
- Be able to recognise good photos from bad, and take the initiative to get the best impact out of an image.
- Know quark, photoshop and illustrator like the back of your hand.
- Show attention to detail to add personality and warmth to your work.
- Be willing to do more than the minimum required of you.
- Be organised and manage your time to meet the tightest of deadlines.
- Demonstrate tenacity and persistence to find a solution no matter what the brief.
- Demonstrate a logical thought process in your work.
- Be able to take advice and criticism on the chin and turn it into something positive.
- Be keen to work for the charity sector and show a hunger to learn and improve.

Agency OR charity experience would be of benefit

Degree level or vocational education essential

**The agency**
